

# AMBIENT SCENTING

Welcoming your customer with the appropriate scent can go a long way in promoting brand loyalty. Using scents enable you to connect with your customer on a deeper emotional level creating long lasting and memorable experiences.

Because we understand the importance of scents, we provide a wide range of quality fragrances and scent delivery systems to suit any environments up to 20,000 cubic feet. Our highly trained technicians will install the systems and provide regular service and maintenance, keeping your spaces scented effortlessly.

#### Places to scent includes:

- Retail stores and malls
- Spas and Fitness Centres
- Medical Establishments
- Hotels
- Offices
- Casinos
- Events and many more
